Work and Volunteer Experience

01/2001 – 02/2001 *Earthquake Relief Camp, India*

Volunteered as part of a team sent by my medical school to provide first aid, health care facilities, and distribute food and supplies, after a massive earthquake affecting nearly 40 million people in the Kachchh region of Gujarat, India.

12/1997 – 02/2003 *Pulse Polio Immunization Program, India*

Administered oral vaccine to all children less than 5 years of age within a radius of 5 miles of a booth as part of a WHO-sponsored national government program to eradicate poliomyelitis from India.

01/2005 – 01/2006 *CIR (Committee of Interns and Residents) Delegate, NY.*

New York Methodist Hospital. Participated in the successful contract negotiations for resident benefits, allowances and salary.

Language Fluency (Other than English)
