RCCA

REGIONAL CANCER CARE ASSOCIATES LLC®
CENTRAL JERSEY DIVISION
Expertise. Compassion. Dedication.

STATE-OF-THE-ART CANCER TREATMENT *and dedicated, compassionate care in Central Jersey.*

A cancer diagnosis changes everything.

At the Central Jersey Division of Regional Cancer Care Associates, we understand this. That's why our highly trained, experienced and compassionate cancer doctors are committed to your best interests and optimal health. Along with our physician assistants, nurse practitioners, nurses, pharmacists and other dedicated team members, our oncologists are on a mission to transform cancer care by being patient-focused, research-based and life-enriching.

RCCA's Central Jersey Division provides today's highest standard of cancer and hematology care. We treat every type of cancer, follow the most advanced science and protocols, providing a sanctuary of excellence, precision, thoroughness and compassion. We're certified by the Quality Oncology Practice Initiative (QOPI®), a program designed by cancer-care leaders to ensure the highest standards of quality and safety. We also strive to deliver the support, education and individualized attention you need.

We are caring, concerned professionals who are devoted to our community and to treating the whole individual, not just the disease. We're also backed by one of the largest oncology-physician networks in the nation, empowering us to collaborate intensively with national cancer experts and research organizations and to always base our care on what is right and best for you.

"I've been coming here for years and have received nothing but the best care. All of the doctors and nurses are professional and caring, and I trust them to help me make the best decisions about my healthcare. My doctor not only cares about my health but about me, and I'm so lucky to have found him!" – Wendy K.

COMPREHENSIVE, TOP-QUALITY CARE *for cancer and blood disorders.*

Trust reputable, highly capable doctors at the forefront of cancer treatment.

To give you the best possible chances against cancer, we've built a large team of cancer specialists who combine diverse backgrounds and skillsets with a shared commitment to excellence. Our oncologists trained at some of the world's most distinguished medical institutions, are well known and highly capable, and are acknowledged for their expertise and leadership as professors, clinicians and researchers.

OUTSTANDING SPECIALISTS

dedicated to your best interests.

STATE-OF-THE-ART TREATMENT

backed by heartfelt commitment to you.

Ensuring the quality and continuity of your care.

RCCA-CJD takes responsibility for ensuring you get the care that will be most appropriate and effective for you, even if you don't get it from us. We actively coordinate with other providers, stay involved, and always act in your best interests. With longstanding ties to the Central New Jersey community, we are well connected with other types of medical providers. And as independent oncologists, we're not limited in which trusted specialists we can collaborate with for your optimal care and health.

Maximizing convenience, accuracy and safety with on-site pharmacy services.

Many medications could be involved in your care, and your safety and treatment efficacy depend on them being exactly right. Our experienced oncology pharmacist reviews all treatment plans, oversees the administration of all medicines, and is involved in patient counseling, clinical research and the development of protocols. We also make your care safe and more convenient by dispensing your medications in our office pharmacies, which are staffed by caring, licensed oncology-pharmacy technicians.

Comprehensive hematology care from the leading edge of the discipline.

Blood disorders can be scary. And whether malignant or not, they can affect many aspects of life. With experience, advanced training and board-certified knowledge and skill, RCCA-CJD's oncology-hematology specialists provide complete hematology care from the forefront of the discipline. Our doctors, physician assistants and nurse practitioners have extensive knowledge of blood and bone-marrow disorders, and they combine state-of-the-art diagnostics with comprehensive treatments to help you live a fulfilling, happy and productive life.

Providing an environment and experience marked by compassion and support.

At RCCA's Central Jersey Division, we work on your behalf, strive to develop the best individualized treatment for you, and go the extra mile to provide you with the best possible patient experience. We treat you with honesty and compassion... and help you make informed decisions and get the guidance and support you need. We also advocate for you financially, working with various groups and foundations to help you get assistance to lessen the financial impact of cancer and cancer treatment. As your neighbors here in Central Jersey, we're committed to your individual needs.

Caring, convenient and accessible.

With four convenient locations in Central New Jersey and privileges at multiple local hospitals, we're the community's choice for convenience and treatment excellence — delivered by providers *from* these communities. Plus, we make every effort to get you in as soon as possible, sometimes even the same day. Here are some of the other ways we make it easy to get state-of-the-art, compassionate cancer and hematology care:

- Newly diagnosed patients seen within two business days
- Radiology precertification
- Insurance accepted & filed
- After-hours physician available by phone
- Convenient, secure patient access to records
- Convenient parking at all locations
- Languages spoken: English, Spanish, Portuguese, Mandarin Chinese, Fukienese Chinese, Italian, Tagalog, Urdu, Hindi, Punjabi, Gujarati

If you or a loved one has cancer or a blood disorder, get advanced, experienced care backed by the expertise and genuine compassion of specialists dedicated to the community and to your best care and health.
