

BONE MARROW TRANSPLANTATION

“Tune in to “The Heartbeat” on EBC Radio (1170AM and 104.7FM) at 12:00 noon on December 14, 2019 to learn what you need to know about bone marrow transplantation. Philip Pancari, MD, oncologist and hematologist for Regional Cancer Care Associates, will explain who needs bone marrow transplants, types of transplants and provide an overview of the process.
