

Please join us for the first online presentation and discussion in our six-part **Lunch 'n Learn with the Doctors** series:

CANCER DURING COVID: BREAST CANCER

Friday, May 1, 2020

12:00pm to 1:00pm

In this multidisciplinary talk conducted virtually, Drs. Hopkins, Fontanilla and Ronnen will discuss the impact of the coronavirus pandemic on the diagnosis, treatment and management of breast cancer during the COVID-19 pandemic. Topics include:

- Overview of breast cancer
- Adjustments to screening mammography's standard guidelines during COVID
- Adjustments to follow-up (diagnostic) mammography scheduling during COVID
- Recommendations during COVID for chemotherapy vs. anti-hormonal therapy
- Recommendations for timing of radiation treatment during COVID
- Where breast cancer patients can find mental health support during the outbreak

To join us for this **Lunch 'n Learn with the Doctors** presentation, all you need is an Internet connection and a smartphone, tablet or computer. But *space is limited*, so register today by visiting <https://ilove.ebpl.org/ebpl-virtual-programs>. Once you register, we'll send you the link and instructions for this presentation and discussion.
