

Please join us for the final online presentation and discussion in our six-part **Lunch 'n Learn with the Doctors** series:

CANCER DURING COVID: SKIN CANCER

Friday, June 12, 2020

12:00pm to 1:00pm

In this multidisciplinary talk conducted virtually, Drs. Baumann, Desai and Vaidya will discuss the impact of the coronavirus pandemic on the diagnosis, treatment and management of skin cancer during the COVID-19 pandemic. Topics include:

- Importance of sunscreen use
- Overview of skin cancer
- Overview of dermatologic/surgical treatments for skin cancer
- Radiation therapy as an alternative to surgery for skin cancer
- Systemic treatments for skin cancer
- Changes in oncology care during the COVID pandemic

To join us for this **Lunch 'n Learn with the Doctors** presentation, all you need is an Internet connection and a smartphone, tablet or computer. But **space is limited**, so register today by visiting <https://ilove.ebpl.org/ebpl-virtual-programs>. Once you register, we'll send you the link and instructions for this presentation and discussion.
