

Please join us for an online presentation and discussion in our **Lunch 'n Learn with the Doctors** series:

TREATING CANCER IN THE ELDERLY

Thursday, November 5, 2020
12:00pm to 1:00pm

In this multidisciplinary talk conducted virtually, Dr. Jonathan Rosenbluth will discuss questions and concerns elderly patients and their families have when faced with a cancer diagnosis. Topics include:

- Overall health - The Comprehensive Geriatric Assessment (CGA)
- Cancer screening recommendations
- Common cancer diagnoses in the elderly
- Traditional cancer treatments - surgery, radiation, and chemotherapy
- End-of-life care, advance directives

To join us for this **Lunch 'n Learn with the Doctors** presentation, all you need is an Internet connection and a smartphone, tablet or computer. **Go to <https://sclsnj.libnet.info/event/4568244>** to reserve your spot. Once you register, we'll send you the link and instructions for this presentation and discussion.
