

Please join us for an online presentation and discussion in our **Lunch 'n Learn with the Doctors** series:

UNDERSTANDING LUNG CANCER

Thursday, December 10, 2020
12:00pm to 1:00pm

In this multidisciplinary talk conducted virtually, Dr. Beiqing Pan, with Dr. Jack Lee, will conduct a comprehensive review of the diagnosis, treatment and management of lung cancer. Topics include:

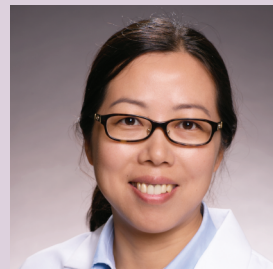

- Risk and prevention
- Screening
- Signs and symptoms
- Diagnosis
- Staging and treatment

To join us for this **Lunch 'n Learn with the Doctors** presentation, all you need is an Internet connection and a smartphone, tablet or computer. Go to <https://sclsnj.libnet.info/event/4568318> to reserve your spot. Once you register, we'll send you the link and instructions for this presentation and discussion.
