

# "Look Good... Feel Better"

Hosted by  
Regional Cancer Care Associates LLC  
Central Jersey Division

Look Good ... Feel Better® is a program offered by the American Cancer Society (ACS), in conjunction with the National Cosmetology Association and The Cosmetic, Toiletry, and Fragrance Association. This is a free program that teaches beauty techniques to women cancer patients to help them combat the appearance-related side effects of cancer treatment. During these sessions, trained volunteer cosmetologists teach women how to cope with skin changes and hair loss using cosmetics and skin care products donated by the cosmetic industry. Women also learn ways to disguise hair loss with wigs, scarves and other accessories. The *Look Good ... Feel Better* program provides women with the benefits of a supportive group environment. Join us for this uplifting and enjoyable experience. As the ACS has a limited number of the cosmetic kits donated for distribution, *participants may only receive only one kit.*

**To register, please call the ACS at 1800-ACS-2345, option #4.**
