

WHAT'S NEW IN BREAST CANCER.

Learn about the latest breakthroughs.

Attend our **FREE** event to learn about the latest breast cancer breakthroughs.
Plus, discover your risk level and how you can stay healthy.

DR. ELLEN A. RONNEN

Topics to be discussed include:

- What puts someone at risk for breast cancer?
- How have treatment options changed in 2017?
- Are there better remedies for treatment-related symptoms than in the past?
- Can lifestyle changes help prevent recurrence after treatment?

October is breast cancer awareness month.

Light refreshments
will be provided!
