ARCADIA

HEALTH AND REHABILITATION CENTER

A new generation of care

A VERY UNIQUE &
LIMITED THERAPY
SERVICE IN THE
PENSACOLA AREA!

Arcadia Health and Rehabilitation Center is proud to offer **LSVT BIG AND LOUD; A NEW, BREAKTHROUGH FORM OF THERAPY** for those with Parkinson's Disease (PD) and other neurological conditions. LSVT Big and Loud teaches PD patients to cope with speech.

LSVT BIG AND LOUD

BIG Trains increased amplitude of limb and body movement (Bigness)

- Improves speed (upper/lower limbs), balance, and quality of life
- Helps maintain the ability to perform a patient's ADL's

LOUD Improves respiratory, laryngeal and articulatory function to maximize speech intelligibility

- Promotes healthy vocal loudness with no strain
- Improves disordered articulation, diminished facial expression and impaired swallowing

VOCAL LOUDNESS, INTONATION AND VOICE QUALITY

PULMONARY AND RESPIRATORY
