SPECIALIZED OB/GYN

Get Big-City Care for Your Unique Health Needs... Without The Long Drives

As a woman, your health needs change over time. They're also different from men's needs ... and unique to you. So, like for cardiac problems, retinal disease or gastrointestinal concerns, you depend on specialized attention and treatment for your GYN and OB needs in order to get the best care and outcomes. And you don't have to travel long distances just to get it.

From puberty, to pregnancy and childbirth, to menopause and beyond, Women's Wellness Center provides board-certified specialty OB/GYN care right here in Huron. Our doctors combine residency training and board-certified expertise with personal understanding and genuine compassion. This means the skill, knowledge, capabilities and commitment to handle all your gynecologic and obstetric needs, including complex issues and high-risk pregnancy, are much nearer than you thought.

OUR DOCTORS

Meet Huron's Board-Certified Women's Health Specialists

Dr. Sara Castellanos and Dr. Elyse Brock are board-certified obstetrician-gynecologists providing advanced, individualized and compassionate women's health care for a lifetime of good health. Meet the specialists dedicated to your needs and to working closely with your doctor(s) for your best health.

Sara Castellanos, DO

Obstetrician-Gynecologist, Founder

"I am a wife and mother, so I completely understand the physical and emotional challenges women face every day. It is my life's work to help women maintain their own health and awareness through empowerment and education. I'm most passionate about getting to know the person — not just the medical history. I believe in looking at, and understanding, the whole person before making a diagnosis or recommending treatment."

Board-Certified: American Osteopathic Board of Obstetrics & Gynecology

Residency: Obstetrics & Gynecology, Henry Ford Health System Residency Hospital, Michigan State University, Detroit, MI

DO: Kansas City University of Medicine & Biosciences, College of Osteopathic Medicine, Kansas City, MO

MBA: Healthcare Leadership, Rockhurst University, Kansas City, MO

Elyse Brock, MD

Obstetrician-Gynecologist

*"For me, OB/GYN has always been more of a calling than a career. What started out at a young age as a fascination with pregnancy and a respect for the female body turned into a passion for all aspects of women's health care. It is a privilege to partner with women through the many stages of their lives, building relationships and developing continuity of care to achieve their goals. And as a Huron native, I feel **it's** very important to have this level of care right here in our community."*

Board-Certified: American Board of Obstetrics & Gynecology

Residency: Obstetrics & Gynecology, University of Iowa Hospitals and Clinics, Iowa City, IA

MD: University of Minnesota Medical School, Minneapolis, MN
